A NEW HEIGHT OF PROFESSIONALISM

HISTORY + VALUES

Trust + Integrity

Integrity in both business and craftsmanship resides at the heart of our family-owned company. And we want to share it with you.

Customer Service

Your home or commercial building is unique – and so is our personalized service. We also welcome jobs of any size during our 40 years of operation. We stay responsive and cost-effective, keeping everything in house. From your first phone call through project completion, your project is our top priority.

Insured properly for any size building.

We have the proper insurance to work on your roof or on any sized building in the tri-state area. Most contractors have insurance for general contractor work. We have roofing insurance and we have it set up properly to protect our clients and their assets.

Safety Measures

All of our field employees have OSHA-10 and OSHA-30 certifications. We take safety very seriously and want to make sure all of our employees return to their families safely.

“The A1 Group was built on a handshake and we honor to be true to our word. Offering peace of mind to our clients separates us from other roofing companies.”

SERVICES

ROOF REPAIRS

In the event of roof damage, A1 Roofing will act fast to help resolve the problem and prevent additional damage to your building.

ROOFING INSTALLATION

A1 Roofing builds commercial roofs that are long lasting, moisture resistant, and energy efficient.

MAINTENANCE

The A1 maintenance contract – yours for only a small fee – can save you a ton of money in the long run.

TRUST. INTEGRITY. CUSTOMER SERVICE

"A1 Roofing has been providing quality installations, maintenance and roof repairs across the tri-state area since 1981."

We use top quality materials from Kemper, Carlisle, Versico, Henry, and GAF.

COMMERCIAL ROOFING SERVICES

A1 Roofing maintains an honorable reputation and track record for the installation, maintenance and repair of more than 10,000 commercial roofs across the tri-state area since 1981. Our full-spectrum expertise – from routine roof repairs to large construction projects, working hand in hand with solar contractors – has earned our roofing company the highest referrals and repeat business in the industry.

KEEPING YOUR BUSINESS, IN BUSINESS

For our commercial projects, expect caring and convenience. We understand the critical nature of staying on schedule and put you into the queue immediately upon contract. Need express service? We're glad to bump your project to the front of the line for emergencies when time is of the essence.

OUR TEAM

Each of our projects has a dedicated manager and team of nearly eighty to one hundred roofing professionals trained and educated to complete roof repairs and installation at the highest quality. Being in business for over 40 years has provided us the knowledge and experience required to handle all of your roofing needs.

A1 GROUP

A1 Roofing and A1 Waterproofing are a part of the A1 Group. A1 Group was founded in 1981 and has been managed by the family ever since. As a growing business, our goal is to ensure that your roofing needs are met and exceeded. We break the traditional mold (roofing is typically messy in both presentation and process) to deliver a superior level of cleanliness and professionalism driven by intense attention to detail. It's the foundation of our family owned business and the result is pristine quality – above...and beyond.
